DCS COMPANY MAKEUP GUIDE

All stage makeup should be matte (not shimmery and no glitter) to absorb theatrical lighting, not reflect it. DCS is not brand specific. The photo is a good example of our stage makeup look.

Foundation

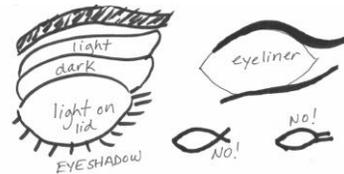

Use foundation to give you a nice, finished look and it will also help your makeup stick. Use powder to keep down the shine.

Blush

Gives you the extra color you need to not look washed out on stage. Use a plum or deep rose color. Avoid pale pink and peach colors.

Eyes

Neutral colors (peaches, sands) work best with a light shade on the lid and a darker shade in the crease (darker browns or plum), along with black eyeliner and mascara. Eyeliner as shown in graphic.

Eyelashes: Company 3 & Up

Eyelashes should look natural but have some length. Glue or magnetic lashes are fine. The tapered style is a nice style for all eye shapes. Pick a lash that you are comfortable applying and wearing and suits your eye shape.

Eyelashes:

Ardell demi wispies
