# DCS COMPANY MAKEUP GUIDE

All stage makeup should be matte (not shimmery and no glitter) to absorb theatrical lighting, not reflect it. DCS is not brand specific. The photo is a good example of our stage makeup look.

## Foundation

Use foundation to give you a nice, finished look and it will also help your makeup stick. Use powder to keep down the shine.

## Blush

Gives you the extra color you need to not look washed out on stage. Use a plum or deep rose color. Avoid pale pink and peach colors.

## Eyes

Neutral colors (peaches, sands) work best with a light shade on the lid and a darker shade in the crease (darker browns or plum), along with black eyeliner and mascara. Eyeliner as shown in graphic.

## Eyelashes: Company 3 & Up

Eyelashes should look natural but have some length. Glue or magnetic lashes are fine. The tapered style is a nice style for all eye shapes. Pick a lash that you are comfortable applying and wearing and suits your eye shape.

## Eyelashes:
