With 4 shows and 500 seats in the theater, we have ample seating for family & friends! <u>Tickets are not sold at the studio.</u> Any available tickets may be purchased at the door on show days.</p> <ul style="list-style-type: none"> • Seating is general seating. • There is no limit on the number of tickets available to each family, however; we ask that if you purchase a large number of tickets please be sure they will be used as we will not refund monies for unused tickets. • Any child taking a seat must have a ticket. Laps are okay. • Tickets are \$12.00 each. • Doors will open 30 minutes prior to show time. Graduating senior families will have priority entry to Show A. • Please supervise young children - no running in the theatre, lobby, etc. • No one is permitted backstage except studio staff, performers and dressing room helpers. Please stay through the entire show, as the children who dance later in the program deserve an audience, too. Keep conversation to a minimum & show your support and enthusiasm for all the dancers through lots of applause!</p> 

DRESSING ROOM SUPERVISION:

Each class must have **2** dressing room assistants who supervise the dancers in the dressing room and backstage. The sign-up is available on-line through Signup Genius, which will be sent separately. Parents or sitters may help in your child's class and watch the show from the wings (an exciting vantage point!), you may help out with another class or parents in the class may choose to hire babysitters (15 and older, please!). **Your child's class will not be able to perform without this supervision** – do not wait until the last minute to help get this covered!

DCS Company dancers not performing may be available to hire for sitters. A class may request a sitter and all accounts will be charged \$10.00 to pay the sitter. Sitters may be requested through the front desk.

THEATER CALL TIME:

(when dancers should be in the dressing room)

- Please have your dancer to their dressing room 30 minutes prior to show time.
- Arrive at the theatre in costume with their hair and make-up finished.
- **All costumes must be covered** in the parking lot and theatre! A large button front shirt, a dress or recital t-shirts make good cover ups over costumes. We don't want our costumes to be seen before the show!
- Upon arrival, take your dancer to their dressing room and leave them with the dressing room helpers.
- The shows will last approximately 2 hours with no intermission. Dancers will remain backstage in their dressing room with their dressing room helper until the end of the show.
- Dancers may bring coloring books, games, etc. while they are waiting backstage between dances.
- Snacks are allowed, but dry snacks only! Goldfish, pretzels, crackers, etc. are acceptable. Please no liquid or messy snacks. Please bring a water bottle. Make sure your dancer's name is on all items.
- At the end of the show, dancers maybe picked up at their dressing room. For the safety of each child, no one may be released until the end of the show and no performers may be in the audience.

DIGITAL RECORDING:

Our policy is **NO VIDEO RECORDING AT THE PERFORMANCES!** You may video during rehearsal only! The "no video policy" protects our choreography copyrights and there will be no exceptions! Theatre security will ask you to leave if you are recording.

Pointe DVD will once again be digitally recording our recitals. Pointe DVD provides high quality digital downloads.

No flash photography please - for the safety of our dancers!

Please be courteous to those around you - no-one wants to watch the show through your camera in front of them, read your texts or social media!

We receive lots of complaints regarding this. Enjoy and watch the show!
